

**AUTOMOTIVE COLLISION REPAIR
LESSON PLAN**

***if you have any questions contact me by e-mail at- jimmy.bunch@dcctc.org**

DATE: 4/1-4/30

HOURS: 3 weeks

OBJECTIVE: Tools and Materials needed for an entry level job at an auto body repair shop. Search want adds, for employers looking for entry level technicians.

COMPETENCY: Employment

ACTIVITIES- Students will search internet for tools needed to begin an entry level position at an auto body repair facility. This will include hand tools, power tools, personal protection equipment and anything that the employer may require.

Each Monday during the month of April you will search internet, want adds, marketplace or any other notifications that would list employment in the auto body field. These adds will be written down on paper to be turned in upon return to school. You must include name of business, contact info., requirements, and starting pay if listed.
