Please contact me if you have any questions about the lessons.

**AM EMS class (<https://learn.aeseducation.com/>)**

- **Please complete the Trauma module that was assigned for the previous two weeks.**
- **For the upcoming three weeks, please complete the 4 units in Special Populations and then units 1 and 2 in EMS Operations. There are virtual worksheets at the beginning of each unit for you to utilize.**
- **These will go in the grade book the week of April 27<sup>th</sup>-May 1<sup>st</sup>!**

**PM PCT class (<https://www.nhanow.com/>)**

- **Please continue to take notes so you have them to study. And please keep working on the EKG module, Infection Control module, and the Compliance, Safety and Professional Responsibility module.**
- **One attempt on the quizzes please. Take your time and study!**
- **These will go in the grade book the week of April 27<sup>th</sup>- May 1<sup>st</sup>!**
