All online assignments have due dates and grades will be put in to PowerSchool. Students may communicate with instructors via the **Remind App**.

Anatomy Notebook Project guidelines have been emailed to all students. This ongoing project is due at the end of the Semester.

Students have also been *encouraged* to continue preparing for the CNA state board exam....Exam dates to be determined.

Flash Drives for each student are being made that contain CNA practice questions/exams.

Clinical rotation is ON HOLD for now, until further notice.

Resources:

They can study on [Quizlet.com](https://quizlet.com). All students *SHOULD* have logged in by now, but for those that may have forgotten, they will need to search **Kreeves44** to access our study guides and information.

A helpful and useful app to help with Anatomy is; **3D Human Anatomy**

A helpful CNA app to prepare for testing is; **CNA PREP**

****Students may also find YouTube videos helpful****

****We were able to use the **Zoom Program/APP** to communicate with our students on Friday, March 27, 2020 and our next scheduled Zoom meeting is scheduled on Tuesday, March 31,2020. We will continue to use this program to continue to have online discussions with our students****

We will observe the week of **Spring Break April 13-17, 2020** and there is no assigned work with a due date during that week on Health Center 21. However, students may continue to work on the modules and their anatomy notebooks if they choose to do so.
